**Donnelly Elementary School
Parent Involvement Plan**

Parent Involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

1. that parents play an integral role in assisting their child's learning;
2. that parents are encouraged to be actively involved in their child's education at school;
3. that parents are full partners in their child's education and are included, in decision-making and on advisory committees as appropriate to assist in the education of their child;
4. That parents are involved in identifying barriers to greater participation by parents in parent involvement activities.

Purpose: The purpose of parent involvement is to increase each parent's capacity to help their child(ren) be successful in school.

To facilitate meaningful parent involvement in our school we will:

1. **Develop a Parent Advisory Committee:** The school has established a parent advisory committee called Parent Teacher Organization or **PTO**, to assist in the review of their parent compact, parent involvement plan, use of parent involvement funds, and the annual review and evaluation of our school Title I program as well as the review and plan for school improvement.
2. **Annually review our Parent Involvement Plan:** The school will, with consultation and input from their parents, annually review and when necessary revise this parent involvement plan.
3. **Annually review our Parent /School Compact:** The school will, with consultation and input from their parents, annually review their Parent/School compact.
4. **Annually establish how Title I Parent Involvement Funds will be used:** The school will, with consultation and input from their parents, annually develop a plan for use of any and all Title I parent involvement funds.
5. **Annually review the use of Title I funds and evaluation of the use of these funds:** The school will, with consultation and input from their parents, annually review how Title I funds will be used throughout the school year.
6. **Facilitate regular, meaningful two-way communication:** The school will hold an annual meeting for parent to explain Title I and what it means to them as a parent and to their student and to explain the right of parents to be involved in the school and in their child(ren)'s education. This will be done at Back to School Night, early in the fall. The school will also offer this information at meetings held at flexible and convenient times for parents.
7. **Build the capacity of parents to support their child's learning:** The school will provide materials and training to help parents to work with their children to improve their children's achievement.
8. **Build the capacity of school staff to work with parents:** The school will work with the district Title I and LEP programs to train and education staff in how to reach out to, communicate with, work with parents as equal partners and build ties between the parent and the school.
