McCall-Donnelly School District #421  
120 Idaho St  
McCall, ID 83638

**Deadline to submit proposals: Monday – February 18, 2018 at 2pm MST**

McCall-Donnelly School District is soliciting non-sealed electronic competitive proposals for Category 2 – Wireless local area network – Managed or partially managed wireless local area network for funding year 2019. All work pursuant to this contract shall be contingent upon E-Rate funding approval by the SLD. Any bid received later than the deadline time shall be automatically disqualified.

## **General Conditions**

- The District reserves the right to reject any or all proposals submitted.
- Service provider will provide a brief summary of the company's background, including an outline of qualifications.
- Service provider must be registered as a service provider with the Schools and Libraries Division (SLD), have a Service Provider Identification Number (SPIN), and comply with all SLD service provider requirements. SPIN number must be provided in proposal
- Service provider must use Service Provider Invoice (SPI).
- Contract must not contain an auto-renew clause.
- License to practice in Idaho

## Instructions

- All proposals must be submitted electronically at [mcavallin@mdsd.org](mailto:mcavallin@mdsd.org) no later than the date and time specified. An e-mail confirmation will be provided to all final proposals.

## Evaluation

- Each proposal will be evaluated according to the following factors and weights.

<b>Factor</b>	<b>Points Available</b>
Price of the eligible products and services	50
Prior experience with the vendor	25
Prices for ineligible services, products, and fees	15
Local or in-state vendor	10
<b>Total</b>	<b>100</b>

## Contracts

- Contracts must be signed by Superintendent with authorization of the Board of Trustees
- Award of this proposal is contingent upon the approval of funding from the Schools and Libraries Universal Service Administration Company (USAC).
- Contract will take effect on July 1, 2019 through June 30, 2022 or June 30, 2024
- All contracts must have a clear clause that states “Contingent upon E-Rate Approval”.

## Services Required

The McCall-Donnelly School District is seeking managed or partially managed WiFi network for each school, district office, and maintenance building.

- Centrally Managed. Wireless controller can be virtual or cloud hosted
- Enterprise class 802.11AC Wave 2 access points with both 2.4ghz and 5ghz radios. Access points must be new and not refurbished.
- 802.11x RADIUS support (Windows NPS)
- 1 SSID for district owned devices
- 1 SSID for BYOD
- 1 SSID for Guest. This SSID will only be enabled when requested for events/trainings
- Vendor must make a site visit to be considered. Site visit arrangements can be made with the district technology director
- Vendor shall provide training to district IT staff on how to load devices to the new wireless network
- Vendor shall provide post-install documentation such as placement of wireless access points and network switch ports the access points connect to.
- The solution should be in place for the 2019-2020 school year
- Provide a plan for technical support, such as in the event of hardware damage or component failure.
- Expected response time of the vendor must make a site visit to repair/replace/troubleshoot equipment.
