Preschool Child Find!!!

The McCall-Donnelly School District will conduct a preschool screening for children ages 3 to 5. Children who demonstrate developmental delays in one or more of the developmental areas may be eligible for special education services. Areas that may be evaluated are speech and language, thinking ability, self-help and social skills, motor skills and hearing.

If you live in the district's attendance zone and have concerns about your child, please contact McCall-Donnelly Early Childhood Special Education teacher, Stacey Barcas at 208-325-4433 to set up an appointment.
