

The McCall-Donnelly School District announces vacancies due to term expiration for zones 3 and 4. We are looking for individuals who have a vested interest in the students, staff and communities of Donnelly and McCall. The McCall-Donnelly School District currently has approximately 1,130 students and 165 staff. We are proud of our service to the region and fortunate to enjoy some of the highest levels of academic performance in the state of Idaho. In 2016, McCall-Donnelly High School was ranked 4th out of 193 public and charter high schools in the state of Idaho! The Board of Trustees is instrumental in setting policy and approving an annual budget, which makes possible our efforts for students. If you would like to support the district as a trustee, we invite you to declare candidacy.

Candidates must complete Declaration of Candidacy and Petition of Candidacy forms, have the Petition signatures verified by the Clerk of the County in which the signers reside, then submit the forms to the McCall-Donnelly School District office no later than 5:00 on March 17, 2017. Candidates will then be included in the May 16, 2017 election. If only one candidate declares candidacy for each zone, the Board of Trustees may approve said candidate without election.

Candidate filing packets may be picked up at the McCall-Donnelly School District office, at either County Clerk's office or found online at: <http://www.sos.idaho.gov/elect/Clerk/forms.htm>
