

McCall-Donnelly School District

Board of Trustees Annual Goals 2012-2013

Mission:

“Educating Students for Life”

Vision:

Schools are places where people

- Want to be
- Learn and grow
- Find relevance
- Become independent
- Experience a sense of belonging in community

Beliefs:

Through the employment of the best possible professional staff, we will provide an orderly and safe learning environment that promotes the physical and mental well-being of all students, the best possible learning opportunities, activities that develop athletic, artistic, and creative skills, and we will promote appropriate student behaviors and cooperation with others.

Annual Goals 2012-2013

Goal #1: Common Core Standards

The McCall-Donnelly School District shall transition to the Common Core State Standards and next generation assessments.

Unpack the Common Core Standards and become familiar with detailed expectations for each subject and each grade level

Create curriculum maps to assure that appropriate instructional strategies and time are dedicated to student performance expectations

Deploy formative and summative assessments for purposes of accurately monitoring student performance

Provide a grading and student progress reporting system that accurately communicates student progress in relation to Common Core Standards expectations

Provide adequate time for staff development to implement Common Core Standards

Align end of course assessments to the Common Core Standards

Goal #2: Students Come First

Implement components of the teacher and administrator evaluation requirements

Monitor and adjust the “Pay-for-Performance” system of employee compensation.

Develop and implement policies and procedures for managing mobile computing devices

Provide training, support and follow-up for staff to transition to Schoolnet

Goal #3: Communication

McCall-Donnelly School District shall communicate the impact of recent legislative mandates on education and how the changes are being used as a way to improve instruction and increase opportunities for students.

Provide information to the public regarding Common Core Standards, performance pay for teachers, parent input on teacher performance, and student achievement data.

Provide informative and easily understood performance reports for the district, all schools, individual teachers and students.

Maintain district, school and teacher web pages with updated information

Combine Student Handbooks district -wide

Parent Surveys

Continue to improve communication and information systems

Promote vertical alignment of academics and school operations within the district

Promote effective 2-way communication by increasing use of technology. Train parents, students & teachers how to best communicate with each other.

Goal #4: Sustainability

McCall-Donnelly School District shall continue to implement programs which foster fiscal and environmental sustainability.

Implement District recycling program

Implement an energy management program to measure energy usage and provide incentives for reducing energy consumption

Woody Biomass Feasibility Study

Utilize “one-time” resources to achieve long-term savings

Invest in Milk Dispensers, Utensils, Cook Stoves, Recycling Bins

Explore the viability of purchasing district transportation (buses).

Continue to convert paper-based processes to electronic-based routing procedures. This includes facility usage requests, routing, approvals and cost recovery.
