Agenda

Recycling of paper

Lake Shore disposal was contacted to come in a talk about options for school recycling. Paul Dionne, the new Lake Shore Disposal manager will meet with the team on Oct. 30 at 4:00 in my room.

Meeting Notes:

- ✓ Paul has several options for the schools.

- ✓ DES will get a smaller bin and Jason will collect for the high school and put the high school paper and other products in the bin at elementary and middle school. The bin will be dumped when Jason calls Paul. This will not be every month or even 2 as the bin is quite large.

- ✓ Jason thought the ideas and solutions that Paul presented were doable and could be implemented within the week.

- ✓ Paul is putting together a recycling committee and is looking for participants. He has a vision for city curbside recycling and is wanting to include members of the community in the committee.

- ✓ Next meeting day:

TBD after the district training days.
