

Green Committee District Meeting

January 21, 2016

Members Present:

Beth Hefflin, Emily Beaver , Melissa Coriell, Lindsey Truxel

Agenda

Elements of the eco-literacy survey were discussed. The survey showed that teacher would like to learn more about eco-literacy curriculum. The committee decided to go back to their school and gather information about the types of eco-literacy curriculum being taught. The committee will meet after collect this data and then coordinate the information with the Green Policy Initiative.
