

May 22, 2018

Mr. Jim Foudy
Superintendent
McCall – Donnelly School District #421
120 Idaho Street
McCall, Idaho 83638

Dear Mr. Foudy:

This letter is to request a cost-of-living increase as per the school contract at a rate of 2.5% or the rate of inflation, as agreed upon in the Student Transportation Contract.

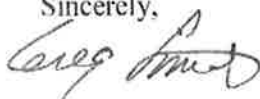

To the best of our calculations, the new rate for General Transportation for the 2018-19 school year will be \$491,197.05, SPED busing \$84,316.47, which reflects the 2.5% annual CPI increase. This equates to an overall cost for daily busing of \$575,513.51.

Below are the details outlining the 2018-19 school year transportation rates:

- Regular Routes \$280.69/day/route
- Special Needs Bus \$481.81/day
- Activity Busing Rates
 - School Bus Activities \$2.39/ mile
- Field Trip Rates
 - School Bus – in town service \$27.59 minimum charge
- Driver Downtime Rate \$16.24/ hour

If you have any questions, please do not hesitate to contact me at any time.

Sincerely,

Greg Smith
Transportation Manager
