

USING THE POWERSCHOOL MOBILE APP

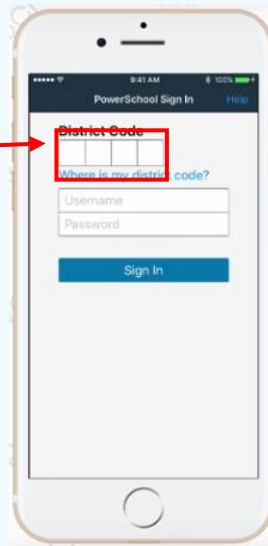

1. In order to use the mobile PowerSchool App, you must first create a PowerSchool account using the web address:
<https://powerschool.mdsd.org/public/> (see Parent Single Sign-On sheet)

2. Once you've created an account go to your App Store and download the PowerSchool App.

3. Click on the PowerSchool app on your phone and enter your District Code –

XLLD

4. Once in the app this is how you view your student's Grades, attendance, assignments and email teachers. There are many options to change your preference and notification settings in both the app and the desktop view of PowerSchool.

5. This website has useful information and help support and a how-to video:
<https://www.powerschool.com/parent-student-resource-center/>

McCall-Donnelly School District code is:

XLLD
