

Immunizations

Children born after September 1, 2005 must have a minimum of:

- (5) DTaP*
- (2) MMR
- (4) Polio**
- (3) Hepatitis B
- (2) Varicella (Chickenpox)***
- (2) Hepatitis A

*The 5th dose of DTaP is not necessary if the 4th dose was administered at age 4 or older.

**The 4th dose of Polio is not necessary if the 3rd dose was administered at age 4 or older and at least 6 months after previous dose.

***The varicella is not required if the child has a documented note from a physician or licensed health care provider.

Children born between September 1, 1999 & September 1, 2005 must have a minimum of:

- (5) DTaP*
- (2) MMR
- (3) Polio
- (3) Hepatitis B

*The 5th dose of DTaP is not necessary if the 4th dose was administered at age 4 or older.

Children born on or before September 1, 1999 must have a minimum of:

- (4) DTaP
- (1) MMR
- (3) Polio
- (3) Hepatitis B
- or to have a valid medical, religious or personal exemption form on file.

Exemption forms are available at the office.

Please update your child's immunization record with your family physician or Central District Health which is located behind the Senior Citizens Center. State law requires a parent, custodian, or guardian of any child who is to attend any public, private, or parochial school in Idaho to provide proof of required immunizations before attendance; children who are not in compliance must be excluded.
