

**MDSB TECHNOLOGY COMMITTEE**  
**January 16, 2020**

**Meeting Called to Order:**

Attended by: Shelly Chamberlain, Matt Cavallin, Kaycie Winn, Bill Borg, Beth Heflin, Joe Luff, Alison Foudy, Carrie LaFay

**Discussion Topics:**

- Saturday, April 11<sup>th</sup> 8:30-4:30 code.org class offered in McCall in Bill's Classroom – Bill & Alison - K-12 Curriculum passed out by Alison to grade levels. Alison will create a invitational flyer. We discussed who should be attending (20 max – Traci Stanley, Evonne Loper, Kaycie Winn, Carrie LaFay, Brandi Davydov, Holly Pedrow, Tenaya Wave, Felicity Steers, Lesley Doane, Abby Standar, Melissa Maini, Beth Heflin, Amy Granger, Mary Stegner, Brakae Campbell, Alison Foudy, Bill Borg, Shelly Chamberlain, Cody Hansen, Mandy Hathaway, Joe Luff) Shelly will attend March Board meeting what is happen. We are looking at \$200 stipend. Invite the building admin to stop by. Bill will check into the PD credit offering component.
- Technology Training for August training day (1 afternoon only) - we address this later in the year. Offering a code.org session possibly. Also, maybe OneDrive/Teams information.
- Powerschool purchased Schoology (what does that mean for us?) - It will make syncing much easier. Joe attended a seminar, but no timeline or changes have been mentioned.
- Update: Thin Client Replacement-the laptops (216) just came in and three old labs will be replaced. The classroom thin clients are being removed (do the teachers want replacement machines?) Make sure to request additional laptops for next year's budget. Elementary K-2 utilizes ipads.
- Update: Five-Year Technology Plan - Goal 4.3 Manage the budget – Matt will make contact with building tech/admin for recommendations
