

MDSB TECHNOLOGY COMMITTEE

May 21, 2020

Meeting Called to Order:

Attended by: Shelly Chamberlain, Matt Cavallin, Kaycie Winn, Bill Borg, Beth Heflin, Joe Luff, Jim Foudy, Carrie LaFay, Melissa Maini, Cody Hansen

Discussion Topics:

- IDLA Training June 1-3 – Morning Training and breakouts in the afternoon – How to use remote learning to establish project based learning – how to engage kids remotely
- May 28th Uniflow/Teams Test Run Meeting @ 2:30
- Code.org Update – setup sessions for training – Bill will get up to speed this summer & Alison will most likely be volunteering in the elementary. Elementary folks are planning on building it into their schedules (Yvonne during computer time along with supplemental activities in the classroom, DES is still up in the air as to the implementation)
- Fall Training Days Technology Training for August training day (1 afternoon only)
 - o Best Practices
 - o OneDrive/Teams
 - o Google Classroom
 - o Ideas that will be nailed down in July/August
- Fall Equipment/Software Upgrades – Matt - Replace aging teacher desktops with laptops, and a docking station. Purchase more ipads for elementary kids, get rid of the thin clients and replace with laptops
- ~~Five Year Technology Plan – Goal 4.3 Manage the budget – Matt~~
- Know Be4 – Security Awareness Training – Matt – Self paced – send it out now
- Vote on Next Year's Tech Committee Chairman – Bill Borg
- Next Meeting – Monday, July 20th 10am
