Action Items:

Previous Meeting Minutes: Minutes taken by Deb Fereday

Present: Deb Fereday, Lynn Swift, Kathy D, Lindsey Truxel, Matt Moss, Sandra King, Arlen Gilmore

Green Committee

Green team updates : schedule regular meetings with your building green team.

Survey monkey – Lindsay will prepare a survey for the district to respond to.

How do we get people to respond? We decided on a mass email.
In the email to the district include the numbers and savings regarding the recycling program.

Include a “lead-in” statement: “This is what you have accomplished this year! Please give us feedback on our four questions by opening the survey.”

Discussion about the back to school breakfast: The Green Committee would like to produce some energy saving tidbits to laminate and put on the tables. Lindsey has a bug collector design she would like to put on the tables as well.

Discussed the web site; Deb mentioned she would talk to Shelly about having students get the design up and then everyone in the district could contribute pictures, stories, projects, etc. that occur around eco-literacy. The goal is to share more with the community and the school - eco literacy principles in action at MDSD.
