Students

Responsibilities

All students have a basic right to attend school.

The responsibilities of the McCall-Donnelly School District are:

- To provide an orderly and safe learning environment that promotes the physical and mental well-being of all students.
- To provide the best possible learning opportunities in our classrooms and activities.
- To employ and support the best possible administrators, certified teachers, and non-certified staff.
- To provide student activities that develop athletic, artistic, and creative skills.
- To promote student cooperation in abiding by rules and instructions of the staff.
- To provide intervention that modifies student behavior rather than punishment of the student.
- To provide corrective action in a timely and fair manner.
- To develop and implement goals and strategic plans to meet these responsibilities.

Parents and educators are partners in children's education.

The responsibilities of the McCall-Donnelly School District are:

- To communicate the need for students and parents to assume substantial responsibility for behavior and learning.
- To encourage parents to provide a healthy home environment where learning is promoted.
- To encourage parents to inquire about the successes and problems of their children in school.
- To provide avenues and strategies to parents for promoting the success and solving the problems of their children.
