

Policy --- 4005

Administration

Assignment

Administrative staff are responsible to the board through the superintendent.

Administrators are assigned in accordance with the organizational chart of the district as approved by the board. The board will appoint and assign administrators on the recommendation of the superintendent following a selection process approved by the board.

All administrators must hold certification and endorsements appropriate for the position held.

The superintendent shall have the authority to organize and/or rearrange the specific responsibilities of the administrative staff in a manner that will provide for the effective operation of the district. The superintendent shall, in considering such assignments and arrangements, base decisions on such factors as the desired performance and/or expectations inherent in the position, the background and preparation of the administrator, the administrator's past performance and the impact on other facets of the district's operation.
