Payroll Deductions

The District shall make payroll deductions for staff as required by law, such as Federal Income Tax, Federal Income Contribution Act, Public Employee's Retirement System of Idaho, etc.

Deductions for voluntary contributions may be made with a minimum participation of five employees, subject to District approval, state guidelines, and with appropriate signed staff authorization for the following:

1. Group medical and/or life insurance;
2. Income protection/disability;
3. Tax-sheltered or tax-deferred annuities/compensations;
4. Association or union dues,
5. Financial institutions.
