Garnishment and Personal Credit Problems

When so ordered by the Court, or required by law, the district shall comply with the directives of garnishment filed against a staff member of the district. Each garnishment or action for collection of debts will be reviewed by the superintendent and such information will become a part of the record of the staff member. Attempts will be made to counsel any such staff member with regard to the staff member financial problems. The district shall not discharge a staff member for the reason that a creditor of the staff member has subjected or attempted to subject earnings of the employee to a wage garnishment directed to the district.
