Use of Tobacco or Tobacco Products and Simulated Tobacco Products

The Board recognizes that to protect students from exposure to the addictive substance of nicotine, employees and officers of the school district, and all members of the community, have an obligation as role models to refrain from tobacco use on school property.

Smoking, any other use of tobacco products, or the use of simulated tobacco products or devices shall be prohibited on school district property. This shall include all district-owned or rented buildings, grounds and district-owned vehicles. Failure to comply with this policy will constitute insubordination.

Notices advising district employees and patrons of this policy shall be posted in appropriate locations in all district buildings and at other district facilities as determined by the superintendent.
